2007 – Certificate of education at the Faculty of Economics in Rijeka for the members of the Supervisory Board and for the members of Administrative Council.
2007 – Established scientists 305304

Work experience: 2018

Professor in the rank of senior lecturer at the Polytechnic of Rijeka

Teaching position professor and lecturer: Mechanical engineering, Graphic communications, Mechanics and mechanical hazards, Engineering fundamentals, Production processes and systems, Safety in planning of production systems, Ergonomics and safety

2015 - 2018

Professor in the rank of lecturer at the Polytechnic of Rijeka

Teaching position professor and lecturer: Mechanical engineering, Graphic communications, Mechanics and mechanical hazards, Engineering fundamentals, Production processes and systems, Safety in planning of production systems, Ergonomics and safety

2013 - 2015

Head of the Department of Occupational safety at the Polytechnic of Rijeka

Professor in the rank of lecturer at the Polytechnic of Rijeka

Teaching position professor and lecturer: Mechanical engineering, Graphic communications, Mechanics and mechanical hazards, Engineering fundamentals, Production processes and systems, Safety in planning of production systems, Ergonomics and safety

2010-2013

Professor in the rank of lecturer at the Polytechnic of Rijeka

Teaching position professor and lecturer: Mechanical engineering, Graphic communications, Mechanics and mechanical hazards, Engineering fundamentals, Production processes and systems, Safety in planning of production systems.

2007- 2010

Professor in the rank of assistant at the Polytechnic of Rijeka

Assistant Mechanical engineering, Graphic communications, Mechanics and mechanical hazards

2007-2008

Director of Konstruktor d.d. Rijeka (Share Company)

Jobs and work tasks in accordance with the law, statute and other general acts of the Society, implementation of decisions and set tasks of the Supervisory Board.

Professor in the rank of assistant at the Polytechnic of Rijeka

Assistant: Mechanical engineering

2006 – **University of Rijeka**

Head of the Department of Technology transfer

Work on connecting the economy and science. Research of the optimal scientific results on the possibility of realization in the economy of Primorje and Gorski kotar County and of entire Croatia. Linkage of the European economy with the scientific possibilities of the University of Rijeka. Work on the realization of projects of alternative energies.

2005

Free contractor (freelancer) – work by contracts

Founder and director of the Agricultural Cooperative "Petolovke", Vrbovsko. Preparation of the project for the realization and construction of a business entity for the production of autochthonous (native) cheese.

Work with clients by contracts.

2000 – 2004 **Industromontaža Zagreb d.o.o., Zagreb**

Director of the Project Italy

Representation and introduction of the Society in Italy

Negotiations with clients, realization of contractual obligations

Work with people by special contracts/agreements

1999 – 2000 **Industromontaža Zagreb d.o.o., Zagreb**

Coordinator of the building - site

The organization and monitoring of the construction sites on the territory of Italy

Collection of the completed jobs in Italy

1998 – 1999 **Ekološke finalizacije d.o.o., Rijeka**

Director

Representation and introduction of the society

Business consulting, strategic planning and implementation of business projects

Execution of projects in the countries of the European community, decentralized co-operation between Croatian and Italian companies and institutions

Realization in collaboration with the partner of environmental projects

1990–1998 **Italy**

Free contractor (freelancer) – work by contracts

- Work on the free market
- Mediation in trade of goods and services by individual contracts
- Work on improvement and sales management – components for computers, import into Italy and from Italy

- Other

1988–1990 **Energostudio, craft activity**

Head and owner of a craft business in energetics

Design of power plants, dealership Ecoflam burner

Construction of power plants

Construction of special power plants in the medical sector

Design of stomatological and dental laboratories

1987–1988 **Termar navigation company, Monrovia, Liberia**

Third engineer officer

Execution of third engineer officer jobs on a merchant ship of 37,000 tons (two contracts by 8 months of navigation)

1987 **Vulkan Rijeka**

Designer

Design of marine energy devices

Design of marine hydraulic steering gear

1986 - 1987 **Faculty of Engineering Rijeka**

Doorman

Work on the churchyard at the Faculty of Engineering

Design of the installation of central heating, thermo ventilation and air conditioning

1982 – 1986 **Crafts cooperative Tehnovod Zagreb**

Adviser (by contracts)

Work with groups of people in locksmith jobs in the construction sector

Manufacture and installation of air conditioning systems in the construction industry

Mounting of the installation systems (heating, water distribution, drainage)

1978 – 1981 **Crafts cooperative Galeb Izola**

Adviser (by contracts)

Head of production and marketing of consumer products (complex products of plastic masses)

Design of tools-models for thermoplastic injection, product appliance for mosqu

Organization, management and inspection of the appliances for mosquitoes, **pro.** 250,000 pieces

Design of tools-models for thermoplastic injection, product razor blade for single use

Organization and management of installation of the razor blades for single use, **pro.** 2.000.000 pieces

Knowledge and skills:

- Organization of people teams and general organization and management of material and intellectual capital, management of business entities with a large number of employees, human resources management

2014/2015 – Governor of Lions District Croatia

Member of many others European and Croatian social associations, orders and clubs

Established scientists: 305304

Textbook:

Škifić, N., Novak, Z., Bognolo, D.

«MECHANICAL ENGINEERING»

Polytechnic of Rijeka, Rijeka 2012

Professional and scientific papers:

Rosavec, R., D. Dominko, D. Barčić, D. Starešinić, Ž. Španjol, K. Biljaković, M. Ožura, N. Marković, D. Bognolo

«ANALYSIS OF DISTRIBUTION OF AREAS AFFECTED BY FOREST FIRES ON THE ISLANDS OF BRAČ, KORČULA AND RAB»

Published in the Journal of Forestry, number 4 – 5, year 2009

Maretić, M., Bognolo, D

«APPLICATION OF ELEKTROLESS PROCEDURE FOR THE INFLECTION OF NICKEL ON THE SURFACE OF MATERIALS»

Published in the professional journal Techne, number 12, September 2010

Ferhatović, M., Bognolo, D.

«RISK ASSESSMENTS OF THE FIREFIGHTING WORKING PLACE – DISADVANTAGES OF EXISTING LEGISLATION, COMMENTS AND SUGGESTIONS FOR THE CHANGES BASED ON SCIENTIFIC EVIDENCE»

Published in the Journal "Fire service and fire management"

Publisher: Croatian Fire Community

N. 3/2012. Zagreb July 2012 ISSN 1848-347X vol. I

Bognolo, D., Ferhatović, M.

«MODELS OF RECORDS IN THE FUNCTION OF REDUCING INJURIES OF FIREFIGHTERS»

Published in the Journal "Fire service and fire management"

Publisher: Croatian Fire Community

N. 1/2013. Zagreb July 2013 ISSN 1848-347X vol. III

Kršulja, M., Bognolo, D.

«MACHINE SETTING GEOMETRY DEPENDING ON THE BEHAVIOR OF MATERIAL IN PROCESS»

Anthology of Polytechnic of Rijeka, May 2014, vol. 1, N. 1, 1-8

Gregorović, T., Bognolo, D., Kršulja, M.

«DESIGN AND SELECTION OF PARAMETERS FOR THE TRANSPORT LANE»

Anthology of Polytechnic of Rijeka, May 2014, vol. 1, N. 1, 1-8

May 2018
